

Anatomist overview

D. Rivière, Y. Cointepas, D. Geffroy, N. Souedet, I. DENGHIEN, et al.

Inserm

Anatomist overview

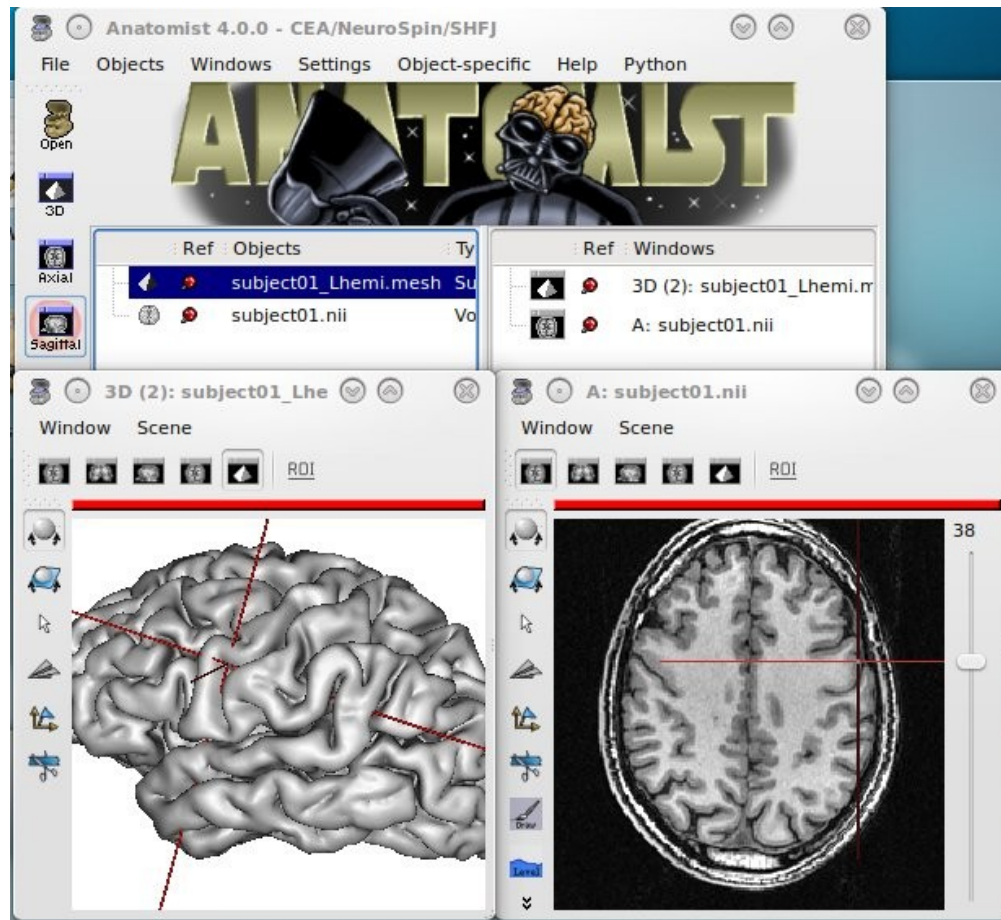

- General operations
 - Loading objects, opening views, mouse/keyboard actions
- Common objects manipulations
 - Colormaps and material
 - Fusionning volumes, volume and mesh
- More advanced features
 - Many other objects interactions
 - Referentials and coordinates transformations
- Customizing Anatomist: AnaSimpleViewer

Anatomist overview

- **General operations**
 - **Loading objects, opening views, mouse/keyboard actions**
- Common objects manipulations
 - Colormaps and material
 - Fusionning volumes, volume and mesh
- More advanced features
 - Many other objects interactions
 - Referentials and coordinates transformations
- Customizing Anatomist: AnaSimpleViewer
